Block seminars can also take place beyond the actual lecture periods.					

Public holidays during the summer semester 2023:

Easter 07.-10.04.2023 | Labour Day 01.05.2023 | Ascension Day 18.05.2023 | Whitsuntide 28./29.05.2023

In general, there are no lectures on bridging days. That means if a Tuesday is a public holiday, the Monday before is a day off, the same goes for the Friday after a public holiday on a Thursday. This applies to the Friday after Ascension Day (19.05.2023) this semester.
