Public holidays during the summer semester 2021:

Easter 02.-05.04.2021 | Labour Day 01.05.2021 | Ascension Day 13.05.2021 | Whitsuntide 23./24.05.2021

In general, there are no lectures on bridging days. That means if a Tuesday is a public holiday, the Monday before is a day off, the same goes for the Friday after a public holiday on a Thursday. This applies to the Friday after Ascension Day (14.05.2021) this semester.
